

## JoAn Pickett-Majors

Author of the *Open the Door to Your Purpose* Series and founder of Dentistry by Choice, a training L.L.C., JoAn Majors has been described as a team member who has temporarily left the office.

Her highly sought-after presentations are known for their authenticity, humor and engagement. Mentored by entrepreneurial giants and leading educators in the dental industry, her area of specialty is in working with teams from traditional industries---like banking, real estate, health care, education and her favorite, dentistry---to produce non-traditional transformation with profitable people skills. She's serious about her seminars and crazy about her clients.

Married to a practicing dentist, JoAn and her family reside in Texas.
